EDUCATION

Dayananda Sagar College Of Engineering	**SGPA: 9.65**
B.E in Computer Science (VTU)	*2022 – 2026*
Sitamarhi Central School, Bihar	**89.%**
CBSE — Secondary School	*2020 – 2022*

SKILLS

Languages:	Java, MySQL, C/C++, JSwing
Frameworks/Technologies:	Spring Framework, Spring Boot, Tableau, Andriod Studio, Git, GitHub, VS Code
Other Skills:	Java, MySQL, C/C++, JSwing

PROJECTS

Cab Booking Management System — *Java, Swing, MySQL*   GitHub

- Developed a Cab Rental Management System in Java using Swing for graphical interface.
- Implemented features such as booking cabs, viewing available cabs, and viewing booking history.
- Utilized Object-Oriented Programming principles for efficient code organization and maintenance.
- Integrated MySQL database for storing and managing cab-related information.
- Contributed to enhancing user experience and convenience in accessing transportation services through efficient code design and database management.
